SN11 −− GO BP enrichment
cell morphogenesis involved in neuron differentiation
positive regulation of cell adhesion
cell projection assembly
positive regulation of cell projection organization
regulation of cytoskeleton organization
actin filament organization
positive regulation of cellular component biogenesis
cell−substrate adhesion
ERBB signaling pathway
protein−containing complex disassembly
lamellipodium organization
positive regulation of plasma membrane bounded cell projection assembly
mitophagy
substrate adhesion−dependent cell spreading
cellular response to nitrogen starvation
