SN19 −− GO BP enrichment
proteasome−mediated ubiquitin−dependent protein catabolic process
regulation of mitotic cell cycle
chromosome segregation
mitotic cell cycle phase transition
epigenetic regulation of gene expression
regulation of chromosome organization
sister chromatid segregation
regulation of chromosome segregation
regulation of sister chromatid segregation
regulation of reproductive process
regulation of chromosome separation
chromosome separation
protein K11−linked ubiquitination
regulation of meiotic cell cycle
protein branched polyubiquitination
